Student Enrollment [1]

Back to Budget and Finance Office [2] or CU Data Made Simple [3]

ABOUT THIS VISUALIZATION: This data visualization summarizes fall term census student enrollment, student FTE (full-time equivalent), and online enrollment. This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization.

ABOUT THIS DATA: Fall Census Headcount summarizes fall term census student enrollment and allows for viewing enrollment by campus, residency, and student level and limited to students with state reportable hours. Students who are exclusively enrolled in extended studies are not included. Student FTE summarizes student full-time equivalent (FTE) enrollment by fiscal year, residency, and student level. Data are sourced from the Colorado Department of Higher Education (CDHE) FTE summary tables, limited to resident instruction credit hours. Online Enrollment displays headcount, course enrollments, and credit hours for courses delivered online. Data are summarized by headcount, Presidential Initiative Programs (PIP), student level, and URM (CCHE definition). Courses may be offered from main campus or Extended Studies programs and does not include Non-Credit or Independent Study courses.
