

Enterprise Content Services - OnBase Access [1]

Enterprise Content Services provide a fully integrated content management solution which lowers costs, speeds access to the information your organization needs to be productive and minimizes your compliance and eDiscovery risks. CU's current application for Enterprise Content Services is OnBase.

Who is this for?

University Staff

Who do I ask for help?

For questions regarding OnBase access to **student content**, please reach out to your respective [campus access coordinator](#) [2]. Each campus has module access coordinators that review and provision the appropriate access.

For questions regarding Onbase access to **any other content**, please reach out to the [OnBase Certified Department Administrators](#) [3] or the [UIS Enterprise Content Service Team](#) [4]

How do I request access?

To request access, please fill out the [CU-SIS Access Request form](#). [5]
