

## Faculty Guide <sup>[1]</sup>

# Faculty Guide

### **Guide Overview**

The guide, published by the Faculty Council Communications Committee, is a compilation of resources and policies that are relevant to faculty members at CU's four campuses, regardless of their status (Tenure-Track, Tenured, or Non-Tenure-Track). The idea of the guide emerged from FCCC's 2018 communication survey, which highlighted the need for a central repository of useful information for CU's faculty.

Please note that the guide is not a comprehensive collection of all information and policies

that are relevant to faculty, but it is intended to be a helpful collection of materials most commonly of interest to faculty.

If the information that you are looking for is not available, please contact your individual campus.
