Committee Overview [1]

Mission

The mission of the the FSGC is to provide Faculty Senate members a forum for reviewing grievances involving perceived violations of university policy. That is, the committee is the due-process vehicle for Faculty Senate members.

Faculty Senate members include all members of the general faculty of the University of Colorado whose appointments are fifty-percent or greater. Any faculty who is a member has the right to file a grievance with the committee after exhausting all unit and campus based remedies.
