ABOUT THIS VISUALIZATION: This data visualization summarizes student graduation rates for each CU campus. This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization.

ABOUT GRADUATION RATES: Graduation rates summarize a cohort of first-time freshman enrolled full-time (12 or more credit hours) in the fall term. Successful graduation is determined by successful degree completion within six years, grouped by 4-year, 5-year, and 6-year rates. Rates are calculated, maintained, and provided by campus institutional research offices.
