Employee Transactions

Transactions are migrating away from Smart ePAR transactions to the use of delivered Template Based Transactions on Fluid HCM pages, providing users with a faster, more direct navigation to approvals with fewer clicks.

- Template Based Transactions in Fluid
- Smart ePAR Non-Pay Transactions
- Smart ePAR Pay Transactions
- HCM Favorites

Learn how to process the following Template Based Transactions on Fluid HCM pages:

- Course Completions
- Contract Pay
- Create Positions
- Funding Entry
- Hire or Rehire
- Payroll Expense Transfer (PET)
- Person of Interest (POI)
- Termination
- Transfer Employees
The videos below walk you through how to use HCM Favorites as well as how to navigate and log into HCM.
