**HCM Projects** [1]

What’s happening with HCM?

We’re working with all CU campuses to improve the HCM system to meet their needs. Learn about upcoming and future system changes, find training resources and get involved by attending meetings.

**See what’s changing**

Keep up with HCM upgrades and find training resources and guides to help you master the changes.

[Learn more][2]

**Participate in the project**

Voice your opinion about upcoming system changes by joining subject matter experts and campus members for meetings.

[Get involved][3]

**Learn about important committees**

System changes are governed by committees who are dedicated to improving HCM. Learn more about the role each group plays during system upgrades.

[View committee members][4]

**See reported issues**

See a list of known HCM issues, along with known workarounds and their development status.
