Pay Employees [1]
To pay employees, you must:

1. **Identify payroll deadlines** for each payroll cycle using our **payroll calendars**.
2. **Collect, enter and approve employees' time**.
3. **Review the status of employees' pay** and correct any pay errors.

The three payroll cycles are:

**Monthly**

**Biweekly**

Biweekly paydays generally fall on Fridays. The reporting period for this cycle runs from the beginning of each two-week cycle through its end.

**Off-cycle**

If you miss the above deadlines, you must enter time for payment on the off-cycle period. This cycle pays employees each Friday.

1. To pay employees on the off cycle, you must enter their time into HCM by 5 p.m. Tuesday.

   Step-by-Step: Manually Entering Reported Time [8]  
   **Note:** You must ensure the "off cycle" option is selected.

2. If you manage employees who don't use My Leave:

   Step-by-Step: Uploading CU Regular Earnings Files [9]  
   **Note:** Enter "Y" into the "off cycle" field of the CU Time Regular Earnings Template [10].

**Valid reasons for using the off-cycle payroll**

- late entry, or approval of hire or job changes
- incorrect entry of job data
- hours or amounts not entered or approved before payroll is processed (If this data is entered but not approved, users must go back and check the "off cycle" box.)
- late hire of employees
- late Social Security number obtained by an international employee
