Resources [1]

At CU, we believe in driving global change together, and the Presidential Innovation & Entrepreneurship Initiative aims to align and optimize resources—in an inclusive, multidisciplinary understanding—to reach across traditional silos and facilitate collaboration. Explore resources available by campus below:

CU Boulder Innovation & Entrepreneurship Initiative

Explore the many entrepreneurship and innovation programs and resources in our interactive guided at CU Boulder at colorado.edu/innovate [2]

- ASSETT Innovation Incubator [3]—Engaging teams of faculty, undergraduate students and staff from the College of Arts and Sciences in cycles of design thinking to develop innovative education technology projects
- Atlas Institute [4]—Home to research and academic programs transcending disciplinary structures of engineering, design, science and art to inspire new realms of invention
- Creative Distillation Research Podcast [5] — Creative Distillation is co-hosted by the Deming Center for Entrepreneurship's Research Director Jeff York and Faculty Director Brad Werner. Each episode distills entrepreneurship research into actionable insights
- Deming Center for Entrepreneurship [6]—A one-stop shop for students, staff, faculty and community members interested in entrepreneurship
- Entrepreneurship Center for Music [7]—Equipping today’s music students with the skills and tools they need to create sustainable careers in the arts
- Idea Forge [8]— A cross-disciplinary prototyping facility where students can design, build and test solutions to meet societal needs
- Integrated Teaching & Learning Program [9]—A workspace offering workshops, resources and high-end equipment open to engineering and non-engineering students, staff and faculty use
- Innovation and Entrepreneurship Mentor Network [10]—CU Boulder's entrepreneurial mentor network supports innovative activity on campus led by students, faculty and staff
- New Venture Challenge (NVC) [11]—Connecting the CU Boulder campus with the Boulder community to develop innovative ideas and pitch for up to $50,000 in venture funding
- Silicon Flatirons [12] — Propelling the future of technology policy and innovation
- Startups2Students [13]— A mini job fair that brings entrepreneurially-minded CU Boulder students and local Front Range startups together with a twist
- Venture Partners at CU Boulder [14]—The commercialization arm of CU Boulder, Colorado Springs and Denver (Physical Sciences) campuses with support for beginning through growing ventures based on university-owned IP

UCCS

Undergraduate, Graduate, and Faculty

- Bachelor of Innovation [15] — An interdisciplinary undergraduate program that combines the traditional degree curriculum with practical innovation and entrepreneurship training
- EPIIC Community Events [16] — Incubator to support economic development of Colorado Springs
- Venture AttractorTM [17] — Incubator for early-stage startups in the sports and outdoors, health innovation, and human performance sectors

Undergraduate & Graduate

- Center for Entrepreneurship [18] — Promotes entrepreneurship in the Southern Colorado region through its research, teaching and service activities
- Student Research Center [18] — Prepare and support undergraduate and graduate student researchers and faculty mentors
- The Garage [19] — A student entrepreneurship center

CU Denver

Undergraduate, Graduate, and Faculty

- Bioengineering [20] — Academic department that provides opportunities for engineering students and researchers to work directly on a world-class medical campus
- Grand Challenges [21] — Interdisciplinary, applied research competition
- Inworks Innovation Initiative [22] — Two state-of-the-art prototyping labs and a collaborative community for creators, thinkers, designers, and makers
- Imaginator Academy [23] — Projects and research focused on reimagining the future of work
- Jake Jabs Center for Entrepreneurship [24] — Entrepreneurship-focused resource center and academic department at the CU Denver Business School that offers an MS, BSBA, MBA specialization, and certificates in entrepreneurship; extracurricular programs; events; workshops; and more
- Open Innovation District [25] — Serving as the anchor institution in downtown Denver to fuel inclusive innovation, collaboration, sustainability, and economic growth for Denver and Colorado

Undergraduate & Graduate

- Grand Challenges [21] — Interdisciplinary, applied research competition
- Smart Cities Future Lab [26] — Incubator and accelerator focused on inclusive solutions for smart cities
- Student Research Center [27] — Providing jobs, resources, and grants for CU Denver and CU Anschutz Medical Campus, undergraduate researchers
- THE CLIMB [28] — An annual pitch competition and event series open to Colorado collegiate teams competing for a $10,000 first-prize
- The Rutt Bridges Venture Fund [29] — An early stage, micro-investment fund operated by a cross-disciplinary team of CU Denver students

CU Anschutz Medical Campus

Graduate, and Faculty

- Academia Industry Alliance [30] — Strives to foster connections among entrepreneurs, scientists, technology professionals, and businesses
- Ask the Expert [31] — Monthly luncheon interviews with innovation experts
- Brews and Biotech [32] — Informal networking with local business leaders
- Center for BioEngineering [33] — The Center uniquely offers engineering students and researchers direct opportunities on a world-class medical campus
- Center for Innovation [34] — Children's Hospital Colorado (Resources and services supporting innovators and entrepreneurs
- Chancellor's Discovery and Innovation Fund [35] — Milestone-based funding program supporting healthcare technologies
- Colorado Clinical and Translational Sciences Institute [36] - [37] CCTSI [38] [37]— Facilitates the formation of future-focused research teams, accelerates the development of new treatments and enhances human health
- CU Healthcare Innovation Fund [39] — Venture capital fund investing in series A & B companies out of CU Anschutz
- CU Innovations [40] — Unites industry partners, entrepreneurs, and investors to support CU Researchers in creating global biomedical technology for enhanced quality of life
- Entrepreneurs in Residence (EIR) [41] — Healthcare Advisors are experienced entrepreneurs, executives, and healthcare experts who can mentor campus innovators
- Fitzsimmons Innovation Community [42] — Cutting-edge lab space where health and life sciences companies elevate their research to cure diseases, save lives and enhance care
- Gates Grubstake Award [43] — Funding supported by CU Innovations and Gates Institute offered to CU Anschutz investigators or external collaborators to advance cell and gene therapies along with regenerative medicine technologies
- ICorps@CCTSI [44] — 3-week course guiding researchers through idea generation to market application
- Innovation Hub [45] — A database of preferred service providers offered to researchers to help support their startup
- mHealth Impact Lab [46] — An incubator for cutting-edge health technology and disease management initiatives within the Colorado School of Public Health
- Mental Health Innovation Center [47] — Exploring bold, scalable solutions beyond today's mental healthcare system
- Research Studio [48] — Roundtable clinical and translational research discussions
- SPARK/REACH [49] — Funding and educational program supporting inventors in the commercialization process
- Startup Toolbox [50] — Microgrant program providing startup services guidance
- The CARE Innovation Center [51] — Provides a comprehensive suite of resources and services aimed at transforming healthcare through collaboration with industry leaders and startups
- Center for Drug Discovery [52] — Exclusively dedicated to minimizing the time and cost of screening new drugs and therapies
- 360 Podcast [53] — Features stories about the innovative, and often ground-breaking, work being conducted by the faculty, staff, and students at the University of Colorado Anschutz Medical Campus

CU Systems Wide Programs

Undergraduate, Graduate, and Faculty

- AB Nexus [54] — Research collaborations between the University of Colorado Anschutz and Boulder

Faculty

- CU Innovation & Efficiency Awards [55] — Acknowledging the innovative ideas from CU employees that contribute to saving the University time, money, and minimizing hassles.
