

Mission Text

OUR PURPOSE

Our purpose is to strengthen the university's ability to create, protect, and sustain value by providing the Board of Regents and university management with independent, risk-based, and objective assurance, advice, insight, and foresight.

We carry out our mandate by bringing a systematic, disciplined approach to evaluating and improving the effectiveness of governance, risk management, and control processes across the university system.

We strive to enhance CU's:

- successful achievement of objectives;
 - governance, risk management, and control processes;
 - decision-making and oversight;
 - reputation and credibility with its stakeholders; and
 - ability to serve the public interest.
-

OUR VISION

Insight with Impact

- We are trusted partners.
- We deliver timely and relevant perspective on risks and opportunities.
- We are committed to our core values, intellectual curiosity, and alignment with our stakeholders.

Core Values-Community

Competency

C ommunity

We support each other, assist when needed, give credit where credit is due, and celebrate each other's successes. We work as a team and seek insightful solutions together. We share information, suggestions, and concerns freely, which contributes to our growth and creativity.

"Alone we can do so little; together we can do so much." – Hellen Keller

Core Values-Agility

A gility

We identify opportunities for improvement and innovation for our clients and for ourselves. We pursue further training to advance our knowledge, skills, and awareness of emerging

issues affecting the university. We take an agile approach to our work; we embrace change and think outside the box.
