MOOC Home - Accessible [1]
MOOCs, or **massive open online courses**, are open-access, non-credit classes offered through Coursera available at no cost to participants. Coursera's comprehensive education platform combines mastery-based learning principles with video lectures, interactive content and an expanded community of peers, enabling universities to develop and deliver content with the potential to boost completion, quality and access to higher education for students in classrooms and across the globe.

CU MOOCs Making an International Impact

A system-wide collaboration has 100 active, quality courses on the Coursera platform. These courses have wide reach and meaningful impact as they facilitate education and career advancement through world-wide accessibility.
