Grants

The Office of Academic Affairs administers and provides support for the following CU system-wide grants.

**CU Next Award**  
By supporting faculty pedagogical innovation, especially with technology support, CU Next aims to increase the efficacy and efficiency of student learning in courses and degree programs.

**President's Fund for the Humanities**  
The President's Fund for the Humanities was established to preserve balance in the university's programs of education and research by giving special attention to the humanities.
