

The Office of Academic Affairs administers and provides support for the following CU system-wide grants.

CU Next Award ^[1]

By supporting faculty pedagogical innovation, especially with technology support, CU Next aims to increase the efficacy and efficiency of student learning in courses and degree programs.

President's Fund for the Humanities ^[2]

The President's Fund for the Humanities was established to preserve balance in the university's programs of education and research by giving special attention to the humanities.
