Reports

Data Governance Workshop Report (2021) [11]

In Fall 2021, the Office of Academic Affairs, in collaboration with the Office of Information Security, held a first of it's kind workshop for students, faculty, and staff that centered around data governance at CU. The Data Governance Workshop Report provides an overview of the workshop, and, most importantly, the data governance priorities most on the minds of the CU faculty, staff, and students in attendance.

New Degree Program Progress Report

The annual New Degree Progress Report provides projected and actual enrollment and degree counts for degree programs that have been implemented in the previous five years.
