Federal Legislation and Appropriations Archive [1]

Each federal fiscal year, the Office of Government Relations produces a summary of federal appropriation packages passed by Congress and signed into law. This summary includes an overview of federal funding and details on funding for specific programs. The Office of Government Relations will also occasionally produce summaries of other notable federal legislation.

- Fiscal Year 2025 Federal Appropriations Summary [2]
- President's Proposed FY26 Discretionary Budget Request [3]
- Fiscal Year 2024 Federal Appropriations Summary [4]
- Fiscal Year 2023 Federal Appropriations Summary [5]
- Inflation Reduction Act of 2022 Summary [6]
- Fiscal Year 2022 Federal Appropriations Summary [7]
