

About Us ^[1]

At the forefront of the University's mission, the Office of Outreach & Engagement spearheads dynamic outreach and engagement initiatives in collaboration with the President's office and the Board of Regents. Our dedicated team actively supports the university's strategic priorities, encompassing enrollment growth, fostering diversity, forging research collaborations, cultivating degree pathways with partner universities, facilitating experiential and employment opportunities for students and alumni, fostering public-private partnerships, driving fundraising efforts, advocating for public policy, and managing the perception of the university and higher education as a whole.
