Christina Beck is the Program Director of Outreach and Engagement. Christina is responsible for supporting and contributing to the work and broadening the scope of reach of the Office of Engagement. Christina leads outreach and engagement with a consortium of constituencies and stakeholders within the office's portfolio through outreach focusing on the Denver metro area and eastern/northeastern Colorado, coordinates with campus outreach stakeholders and provides planning and operation support for the Office of Engagement.

Christina served on the CU Boulder campus for four years in Athletics, CU Denver/Anschutz in the Office of Digital Education, and two years at the system office in University Relations before joining the Office of Engagement in March of 2022. She also served at the Boulder Valley School District for seven years in the Office of Online Learning, Early Childhood Education and as a registrar in an elementary school.

As a parent, donor, staff member and community supporter, Christina brings her passion to bridging resources and challenges across for our campuses and communities.
