Outreach Tours [1]

Western Slope Outreach Tour – June 2024

President Todd Saliman and CU leaders began their summer outreach tour with visits to communities throughout west-central Colorado. Leadership visited the Paul M. Rady School of Computer Science and Engineering June 25-26 as a component of the outreach tour. They joined Western Colorado University President Brad Baca to tour the facility and witnessed a student-led demonstration showcasing cutting-edge projects developed through this unique program.

Northwest and Mountains Outreach Tour - July 2024

President Todd Saliman, Regent Ken Montera, Regent Lesley Smith and other CU leaders joined the second outreach tour of the summer, this time traveling to northwestern Colorado.The itinerary included stops in Craig, Steamboat Springs, Gypsum, Eagle and Keystone. The event followed a successful tour in west-central Colorado in June and continues the mission to foster connections and engage with local communities through various education-centric discussions.
