Population Demographics (K-12, State, National) [1]

Back to Budget and Finance Office [2] or CU Data Made Simple [3]

ABOUT THIS VISUALIZATION: Based on US Census and Colorado state data, this visualization allows for comparing demographics of several populations including Colorado K-12 (all grades), Colorado High School Completers, Colorado residents, and U.S. state populations. Additionally, the tool allows for comparing Colorado racial demography to any other state. This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization.

Should you have questions or comments on this data, please contact IR@cu.edu [4].

Visualization is formatted for a generic desktop (1366x768 resolution). To view on public Tableau server, use this link [5].
