The screenshot shows the top of the "University of Colorado POPULATION DIVERSITY" website. At the top are navigation tabs: "K12 & State Title", "Population Diversity Notes", "CO K-12 Population", "CO K-12 Maps", "CO Population", and "U.S. Census". The main header area includes the University of Colorado logo and name, followed by the title "POPULATION DIVERSITY" and subtitle "Colorado State Demographics & U.S. Census". Below this is a section titled "ABOUT THE DATA" which explains that the data comes from IPEDS and U.S. Census data.

A sidebar on the left contains a vertical stack of icons. A tooltip points to the home icon (a house), stating: "Click the home icon to return to this page <-- This icon will appear dark gray on all of the linked dashboards".

Main content area below "ABOUT THE DATA":

- K-12 Population**: This dashboard sources pupil membership for Colorado secondary enrollment (grades K-12) and high school graduation rates.
- CO Population**: This dashboard sources Colorado state population data from the U.S. Census Bureau.
- U.S. Population**: This dashboard sources state and national population data from the U.S. Census Bureau. Includes the link <https://www.census.gov/>.
- Colorado vs U.S. States**: This dashboard sources state population data from the U.S. Census Bureau to compare Colorado racial and ethnic demographics to other states.
