2. Respect for Others [1]

The University of Colorado recognizes that people are the most important resource in accomplishing its mission. The University of Colorado values academic freedom, diversity, and respect for all persons. The university is committed to the principle of non-discrimination and does not tolerate harassment on any basis, including race, color, national origin, sex, pregnancy, age, disability, creed, religion, sexual orientation, gender identity, gender expression, veteran status, political affiliation, or political philosophy. Members of the university community are expected to treat colleagues, co-workers, and students with respect, professionalism, and dignity in all interactions and communications.
