2025 Supplier Showcases [1]

Supplier Showcases provide an opportunity for suppliers to display and demonstrate new products and services. Showcases also provide CU faculty and staff with an opportunity to meet with suppliers they already do business with and discover new goods and services from potential suppliers. Be sure to visit the PSC table to meet our staff. Many campus and system departments will also be present to discuss issues and topics.

The Supplier Showcases are free for University of Colorado faculty and staff to attend. If you are a vendor who would like to host a table, please contact Denise Nakamichi at denise.nakamichi@cu.edu [2].
