The following information is supplemental to the CU Marketplace: Receiver Skillsoft course and will be helpful as you receive on purchase orders in the CU Marketplace.

PSC Website

The PSC website [2] contains information on procurement policies, procedures, and learning resources.

Take the courses and request access

Several online courses are required for this role. For more information see Access & Training Requirements [3].

The courses are delivered online in Skillsoft. Log in to your campus portal and on the CU Resources Home tab, click the Skillsoft tile.

Launch the CU Marketplace - Receiver course. [4]

When you’ve completed the required trainings, your department will request your access using the CU Identity Manager (OIM) [5]. You’ll receive an email notification when you have access.

Understanding your new Role

Receiving is performed to acknowledge receipt of goods and services on a PO within CU Marketplace. It indicates how complete the order is. As a Receiver you’re authorized to receive on vouchers for POs over $10,000 that are not SPOs. You’re able to:

- Receive on Purchase Orders (POs) over $10,000 to release vouchers for payment; and
- Search all documents in the CU Marketplace.

Two roles have the ability to perform receiving within CU Marketplace: Requestors and Receivers. Receivers are only able to perform receiving whereas Requestors can also submit orders within CU Marketplace.
