**CU Supplier Portal Information**

In most cases, external suppliers must register through the CU Supplier Portal in order to be paid by CU. Departments can invite suppliers to register.

**Exceptions** - The following do not need to register through the Supplier Portal:

- **Study subjects.** The study subject's paper **W-9 (IRS form)**[7] must accompany the Study Subject Payment form to ensure that the individual is correctly set up as Clinical Trial supplier.
- **Reimbursements/refunds.** Tax documents are not needed to issue reimbursements (via the Non-Employee Reimbursement-International form) or refunds (via the Payment Authorization form).
- **Stipends and cash awards on the Payment Authorization form.** The payee's paper **W-9 (IRS form)**[7] must accompany the Payment Authorization form.
- **CU employees** and **CU students** are not considered suppliers.
