**CU Supplier Portal Information**

In most cases, external suppliers must register through the CU Supplier Portal in order to be paid by CU. Departments can invite suppliers to register.

- Guides for Departments: Supplier Portal - Requesting New Suppliers [5]
- Guides for Suppliers: Supplier Portal Registration [6]

**Exceptions** - The following do not need to register through the Supplier Portal:

- **Study subjects.** The study subject's paper [W-9 (IRS form)](https://www.cu.edu) [7] must accompany the Study Subject Payment form to ensure that the individual is correctly set up as Clinical Trial supplier.
- **Reimbursements/refunds.** Tax documents are not needed to issue reimbursements (via the Non-Employee Reimbursement-International form) or refunds (via the Payment Authorization form).
- **CU employees** and **CU students** are not considered suppliers.
