CU Supplier Portal Information

The [CU Supplier Portal](#) ^[2] is available through the University's eProcurement system, CU Marketplace. The portal allows suppliers (external entities/individuals paid by CU) to do the following:

- Register online to become a supplier with CU, and update profile information once registered.
- View and respond to University solicitations on [CU's BidNet website](#) [3].
- Submit invoices and view invoice status online (this access replaces the need to submit to apinvoice@cu.edu [4] or to contact the University for invoice status information).

Updating your information

Need to make a change to your address, contact information, or other information? Contact CUSupplier@cu.edu [5] with the information to be changed and they can take care of that for you!
