The University has a managed travel program that includes the Concur Travel & Expense System (Concur) for online domestic/international bookings and Christopherson Business Travel (CBT) for group travel and for domestic/international bookings.

If you are considering purchasing airfare through the internet (instead of booking through Concur/CBT), it’s important that you follow the PSC Procedural Statement [Travel] [2] to ensure you will be reimbursed for your purchase.

**Our travel procedures allow for internet airfare purchases if you demonstrate that there is a cost savings to the University. To demonstrate cost savings, you must fulfill all of the following requirements:**

- Obtain a comparison quote from Concur **prior to** the internet purchase;
- Comparison quote must be for the same dates, routes, and general timeframes (within approximately one hour) as the purchased airfare;
- Total cost of the internet purchase must be **less than** the Concur quote; and,
- Purchase must be made using a personal credit card and reimbursement requested after the trip concludes (copy of comparison quote must be attached to the trip expense report).
