stitution of higher education of the State of Colorado,

is exempt from all federal excise taxes and from all Colorado State and local government sales and use taxes.

A commitment voucher (CU Marketplace Purchase Order or Procurement Card) is required to purchase an item from a supplier unless an exception applies under CU's Fiscal Procedures ^[9]

University of Colorado Procurement Thresholds

Under \$10,000: Departmental purchases of up to \$10,000 are considered "small-dollar purchases." Under most circumstances, these are processed by the requestor's campus department. Typical forms of payment are the University Procurement Card (up to \$5,000) or a small dollar Purchase Order.?

\$10,000.01 - \$49,999.99: All goods and services between \$10,000.01 and \$49,999.00 are processed at the discretion of the Purchasing Agent.

\$50,000 - \$250,000: All goods and services between \$50,000 - \$250,000 regardless of funding type require:

- Completion of the Source Selection & Price Reasonableness section of the Purchase Requisition form
- Price information from at least two suppliers - one from the supplier you are ordering from and the other from a competitor. The price information can be screenshots from two websites or quotes provided from the suppliers.?

The requirement to obtain two quotes and complete the Source Selection & Price Reasonableness form will be waived if the purchase is made against an existing CU bid/contract or a cooperative contract, is for a Sole Source item ^[10], or is an emergency procurement.??

\$250,000 - \$499,999:?The threshold for a solicitation issued by the Procurement Service Center (PSC) will be \$250,000 for goods and services. Construction solicitations are issued by campus Facilities Departments. Purchases of goods, services, and construction costing more than \$250,000 require that competition be sought via the informal process known as a Documented Quote.

\$500,000 and Over:?For purchases of goods and services costing \$500,000 or more, competition is sought via either an Invitation for Bid or a Request for Proposal.?Construction solicitations are issued by campus Facilities Departments.

The University of Colorado posts its solicitations using an electronic solicitation notification system, currently through BidNet ^[11].?
