Booking a Trip

Book airline tickets, hotels, and/or rental cars for yourself or for others.

All domestic and international travel must be approved prior to booking a trip. All international travel must be approved using Concur Request [7] and you will need to enter your Request ID to finalize your international reservation. It is recommended that domestic travel be approved using Concur Request [7], however, the department can elect to use an internal travel pre-approval process. Please defer to your department to determine what domestic pre-approval process is appropriate for you.

Need to change or cancel an airline ticket booked in Concur? You can modify or cancel your flight directly in Concur, or you can contact a Christopherson Business Travel (CBT) agent [8].
