Booking a Trip

Book airline tickets, hotels, and/or rental cars for yourself or for others.

Pre-approval is required for all trips. In response to the coronavirus (COVID-19) and effective March 12, 2020, all domestic and international travel must be approved using Concur Request [7] prior to booking a trip.

Need to change or cancel an airline ticket booked in Concur? You’ll need to contact a Christopherson Business Travel (CBT) agent [8] to change the flight.
