Concur How To: Booking Travel [1]

Do you need an airline ticket for a University trip?

All domestic and international travel must be approved prior to booking a trip. All international travel must be approved using Concur Request [2] and you will need to enter your Request ID to finalize your international reservation. It is recommended that domestic travel be approved using Concur Request [2], however, the department can elect to use an internal travel pre-approval process. Please defer to your department to determine what domestic pre-approval process is appropriate for you.

For international trips, see Booking International Airfare in Concur [3].

Need to change or cancel an airline ticket booked in Concur? You can modify or cancel your flight directly in Concur, or you can contact a Christopherson Business Travel (CBT) agent [4].

You can book flights, rail travel, rental cars, and hotels in Concur.

You’ll need a University Travel Card or personal credit card identified in your Concur Profile to complete your rail or hotel bookings - see Completing your Profile [5].

1. Once you have your department’s approval to travel, log in to Concur.
   o If you’re booking the trip for yourself, you can get started right from the home page.
   o If you’re booking the trip for someone else, you’ll first need to pick the person you’re booking for. To act as a Travel Arranger, click Profile and select that employee from the Acting as other user drop-down. Click Start Session. You’ll see the name of the person you’re arranging travel for display on the home page.

2. Use the Trip Search box to enter your trip information.
   o You can restrict your flight/train search by changing the dropdowns for your depart and return.
   o If you want to search for a rental car or a hotel after your flight search, check the boxes for Pick-up/Drop-off car at airport and/or Find a Hotel. Or you can use the designated tabs, later, to book a car or lodging.
   o The Search by dropdown defaults to sort by Schedule. You can change to sort by Fares first -- or you can keep the Schedule default and compare fares later.
      ■ Note: Travel Card information needs to be added to the employee’s Concur profile in order to create a reservation for a rental car and/or hotel. The Travel Card will not be charged, it will just hold the reservation. The traveler will be required to present a form of payment at the time of pick up/ check in.

3. Click Search and wait for your results to fully load.
