Do you need an airline ticket for a University trip?

For trips within the United States, you should use the Concur Travel & Expense System, following the procedures on this page. **Pre-approval is required for all trips. In response to the coronavirus (COVID-19) and effective March 12, 2020, all domestic and international travel must be approved using Concur Request** prior to booking a trip. You'll need to enter your **Travel Request ID** to finalize your reservation.

For international trips, see **Booking International Airfare in Concur**.

Need to change or cancel an airline ticket booked in Concur? You’ll need to contact a Christopherson Business Travel (CBT) agent to change the flight.

**Read the procedures**

1. Once you have your department’s approval to travel, log in to your campus portal and on the **CU Resources Home** tab, click the **Concur Travel & Expense System** tile.
   - If you’re booking the trip for yourself, you can get started right from the home page.
   - If you’re booking the trip for someone else, you’ll first need to pick the person you’re booking for. To act as a Travel Arranger, click Profile and select that employee from the **Acting as other user** drop-down. Click **Start Session**. You’ll see the name of the person you’re arranging travel for display on the home page.
2. Use the **Trip Search** box to enter your trip information.
   - You can restrict your flight search by changing the drop downs for your depart and return.
   - If you want to search for a rental car or a hotel after your flight search, check the boxes for **Pick-up/Drop-off car at airport** and/or **Find a Hotel**. Or you can use the designated tabs, later, to book a car or lodging.
   - The **Search by** dropdown defaults to sort by Schedule. You can change to sort by Fares first -- or you can keep the Schedule default and compare fares later.
3. Click **Search** and wait for your results to fully load.
4. You can use the controls on the left to tweak your search. Use the matrix at the top of your screen to narrow down results.
5. Click **Select** next to each flight you wish to book. Now you’re able to see the price.
6. Click on the fare to proceed with booking your flights. You’ll be taken to a new page to review booking details and reserve.
7. Verify the information on this page is correct. If you decide to change your flights, click **Back**. If you’re ready to proceed, click **Reserve Flight and Continue**.
8. You may see a reminder if you haven’t booked a car or hotel reservation for your trip. Click **Cancel** if you want to go back and add a car and/or hotel to this search. Click **OK**.
to continue with your present itinerary.
9. Enter the SpeedType you want to use to cover the ticket costs and indicate whether or not the trip is grant funded.
10. Upon successful ticketing, an itinerary will be emailed to the traveler, the traveler’s supervisor, and any designated Travel Arrangers.
11. Now - if you want - you can go back to the Concur home page and book a rental car or a hotel. Just remember:
   ○ If you’re going to a conference, you may need to book your hotel through the conference website.
   ○ Otherwise, if you’re booking a hotel through Concur, remember to save your Travel Card information in your Concur profile first.
