

Concur How-to: Using Triplt Pro ^[1]

Trips booked in the Concur Travel & Expense System (Concur) or through Christopherson Business Travel (CBT) are automatically synchronized with Triplt Pro. Triplt Pro is free if you activate it through Concur. With Triplt ,you can:

- Receive real-time flight alerts and notifications;
- Create itineraries by forwarding trip reservation emails for your flights, car rentals, hotels, and other trip activities;
- Check directions, maps, and weather from the itinerary; and,
- Share specific plans or your entire itinerary with others.

Read the procedures

1. From your Concur home page, locate the Triplt Pro Travel Alert and click **Activate Subscription**.
 - If the Triplt Pro Travel Alert doesn't appear, select your **Profile** menu in the upper right corner of your screen and click **Profile Settings**. From the menu on the left, select **Connected Apps** (under Other Settings). Click the **Connect to Triplt** link.
2. Sign In or Sign Up.
 - **If you already have a Triplt account, sign in.** Enter the email address and password associated with your Triplt account and click **Sign In**.
 - **If you do not yet have a Triplt account, sign up.** Click **Sign Up**. Enter your CU email address, create a password, and click **Sign Up**.
3. Your Concur and Triplt accounts are now linked. You can access your account using the free mobile app or the Triplt website (www.tripit.com ^[2]).
4. Trips booked within Concur or through CBT are automatically synchronized with Triplt. Forward travel confirmations not booked through Concur or CBT to plans@tripit.com ^[3] and they will be added to your itinerary.

Helpful Tip

You can also use Triplt Pro to organize your personal travel. Just be sure to click **Edit** next to that Trip and deselect the box to **Link with Concur**.
