

Preferred Hotel Program (Local) - UCCS ^[1]

The Procurement Service Center has worked hard to establish relationships with local hotels to provide a local preferred hotel program that benefits our travelers and guests of the University. The University's negotiated rates at the preferred hotels listed below are lower than the rates typically available at these properties. In some cases, we have been able to negotiate added values and extra amenities for our travelers if they choose to stay at one of our preferred hotels.

Making Reservations

To book with one of our preferred hotels you can book directly on the hotel's CU website (if link is provided), call the hotel directly, or call a Christopherson Travel Agent. If you call to make a reservation directly with any of the preferred hotels, make sure to mention "The University of Colorado special rate". Group rates may differ.
