About the Challenge [1]

[2]

The President's Sustainable Solutions Challenge encourages student-led innovation in sustainability on CU campuses. Students with ideas for sustainability innovations on their campus will compete for up to $1500 in cash prizes while gaining experience in leadership, entrepreneurship, and social enterprise. If you have an idea for improving environmental quality, economic and resource efficiency, and/or social equity on your campus, register to participate in the Challenge.

Groups audience:
President's Sustainable Solutions Challenge
