

Reports and Publications ^[1]

These publications and reports contain pertinent information about the University of Colorado, including its vision, performance, finances, economic impact and more. New reports and publications are added as they become available.

[2]

Essential Facts about CU ^[2]

The University of Colorado has contributed to Colorado and beyond since 1876, educating more than 450,000 students who have become catalysts in business, arts, health and communities. With the spectacular backdrop of Colorado's Front Range, the four campuses provide access to top-tier faculty and experiential learning opportunities and an atmosphere where students thrive in the academic community. CU advances the economy, health and culture of Colorado and beyond. If you would like copies of the print publication, contact cathy.beuten@cu.edu ^[3].

[4]

[5]

Fast Facts [5]

CU Fast Facts includes a series of charts illustrating historical trends in enrollment, student diversity, state support, administrative expenditures, and research funding. It also provides comparative data on tuition rates, state support, faculty salaries, degrees awarded, and student success measures. This data is updated every year after the fall term. For additional charts, visualizations, data and information from the Office of the Vice President for Budget and Finance including the Office of Institutional Research, visit our CU Data Made Simple [6] page.

[7]

Economic Impact Study [7]

Economic Contribution of the University of Colorado on the State and Counties of Operation

The University of Colorado is an economic driver in the state of Colorado, employing thousands of workers, buying from local vendors, importing investment, educating the local workforce, and exporting research discoveries. Aside from the direct impact, the university facilitates company growth and job creation through research, tech transfer, and spinoff

companies. This study provides a snapshot of the university's economic contribution to the state.

Annual Financial Reports ^[8]

The University of Colorado is a multifaceted enterprise that focuses on teaching and learning, research activity, and community service. With some 61,000 students, 5,100 faculty and 24,000 staff, it is a complex undertaking that requires detailed financial reporting. You will find that detail in the pages of this report.

Budget Facts ^[9]

CU Budget Facts is produced by the Office of the Vice President for Budget and Finance supplying annual budgeted revenues and expenditures, institutional financial aid, tuition & fee rates, budgeted enrollment, degrees awarded and employee headcount.
