ABOUT THIS VISUALIZATION: This data visualization summarizes R&D expenditures at U.S. colleges and universities from the Higher Education Research and Development (HERD) Survey. This National Science Foundation survey collects information on R&D expenditures by field of research and source of funds and also gathers information on types of research, expenses, and headcounts of R&D personnel. (https://www.nsf.gov/statistics/srvyherd/) This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization.

Should you have questions or comments on this data, please contact IR@cu.edu.
