### **Private Events**

An event where alcohol is served that is not open to the general public. In order to be a private event, the event must satisfy all of the following

- It must be by invitation only. Invitations to the event must have been sent to specific individuals. This does not include an event where attendees register in response to an announcement of the Event.
- A previously printed list of invited guests must be used to identify attendees at the entrance to assure that only invited participants enter.
- The event cannot have been advertised as being open to the public.
- The alcohol is free or the event is a University sponsored Event and the admission charge or other charge for participation is the same regardless of whether the person attending consumes alcohol or not.

### **Special Event Permit (SEP)**

A permit issued by the Colorado Department of Revenue, Liquor Enforcement Division that authorizes the sale and service of alcohol at a specific location for a specific date and time. If an event is open to the public (as opposed to invitation only) where alcohol is served or sold, the event must be held at a location/establishment holding a current valid liquor license, or the event sponsor must have applied for and received a SEP issued by the State of Colorado for

that location and event. Refer to your campus policy for application process information.
