2022 Cybersecurity Awareness Month [1]
It's Easy to Stay Safe Online

CU is proud to champion Cybersecurity Awareness Month (CAM) again this year. CAM is a global effort recognized each October to promote the awareness of online safety and privacy.

Throughout the month of October, CU will host events that include guest speakers and on-campus games with prizes.
CAM 2022 will consist of the following topics:

- Week 1: Recognize phishing scams
- Week 2: Know the classification of the information you manage and how to keep it secure
- Week 3: Use strong, unique passwords
- Week 4: Enable multi-factor authentication (MFA)

Publications - Coming Soon

Cybersecurity Plinko Game - Locations and dates will be announced soon

Webinars - Information coming soon

If you have any questions, please send an email to SecurityAwareness@cu.edu [2].
