The Lunch and Learn Committee researches educational and fun topics of interest to 1800 Grant Street staff. Committee members contact potential speakers to see if they are interested in presenting at one of our sessions, confirm dates, coordinate meeting space, and equipment.

Committee members: Stacy Gomez, co-chair; Grace Shattuck, co-chair; Dave Korman, Tara Dressler, Amy Arnold, & Minna Briscoe

Regular Lunch and Learn sessions are one-hour, normally between 11:30 – 1:00 p.m. ... via zoom, 1800 Grant 1st floor conference room, or otherwise posted.

Some past community opportunities the committee has featured:

- June 10, 2021 (virtual), Strategies to create an Inclusive Environment, presented by Regina Reynolds, PhD, MSW, Vice Chancellor of Diversity, Equity, Inclusion, & Community Engagement, Anschutz Medical Campus. Assistant Professor, Department of Family Medicine. Chair, AAMC BA-MD Affiliate Group
- Feb 23, 2021 (virtual), Healthy Eating at Home, presented by Cami Woomer, YMCA nutritionist & life coach. Slides and Recipe Ideas.
- 2020 Lunch and Learn Series focused on System departments. The overall goal of these sessions is to deepen our understanding of each other’s department and responsibilities. Each month, departments will be invited to share about their unit’s purpose and vision for the future. Additionally, they will address questions that are submitted prior to their session using a survey. This is our opportunity to learn more about what our colleagues within CU System do!

We'd love to hear from you!
