ABOUT THIS VISUALIZATION: This data visualization summarizes Colorado state appropriations for each fiscal year back to 1989. The data included here is from the annual Joint Budget Committee Appropriations Report, highlighting Operating Appropriations by Department and Fund Source. The tool provides filters for fund source, fiscal years, inflation and population adjustments, and department. This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization.

Should you have questions or comments on this data, please contact IR@cu.edu.
