

Pillar 1: Affordability and Student Success ^[1]

AREAS OF FOCUS

Graduation Rates and Retention (CU Boulder, Colorado Springs and Denver)

Campus Wellness and Mental Health

Innovation in Learning & Teaching

PROCESS

- How do we define and measure success in each?
- What are the best and most promising practices that would allow us to become a national leader in each?
- How can the system facilitate success in these areas (e.g., facilitating transfer of knowledge, removing bureaucratic barriers, celebrating and sharing successes across the System)

Groups audience:
Strategic Planning
