

## Healthcare <sup>[1]</sup>

### Charge

- To succeed, the working group must recognize the strength of diverse communities and perspectives. We must continue and enhance our commitment to creating an inclusive culture in pursuit of our goals of excellence and meeting the needs of the state, nation and world.
- Explore opportunities to maximize health and wellbeing for citizens of Colorado and beyond through collaborative innovations in healthcare workforce development and education, research and discovery, and healthcare delivery.
- Identify metrics to effectively track and evaluate
  - Set specific goals for these metrics; and
  - Define and prioritize action items to become a national leader in this area
