

UIS Impact Report

University Information Services empowers CU with timely solutions, projects with far-reaching impact, and future initiatives.

The Impact Report highlights the extraordinary work accomplished by UIS in 2022-23 to empower CU's mission.

Accessible PDF: Read the accessible PDF version of the [UIS Impact Report](#).

The report features collaborations with:

- Office of Information Security
 - Office of Information Technology from each campus
 - Controller's Office
 - Human Resources
-
- Finance
 - Student Services
 - Procurement
 - Research and Grants
 - and departments from every CU campus that led to new solutions, efficiencies, savings and/or increased security.
