Campus Solutions (CS) Access [1]

CU-SIS Campus Solutions (CS) is the primary component of CU Student Integrated Systems (CU-SIS) and encompasses many functions directly related to student administration, faculty workload and course management. This application is managed by University Information Services (UIS) [2] located at the System Administration campus.

Who is this for?

University Staff, Faculty, and Students performing the suite of student services offered at the University of Colorado.

Who do I ask for help?

For questions regarding Campus Solutions access, please reach out to your respective campus access coordinator [3]. Each campus has module security coordinators that review and provision the appropriate access.

How do I request access?

To request access, please fill out the CU-SIS Access Request form [4].
