CU-Data Reporting System Access [1]

The CU Reporting System (CU-Data) is a robust tool offering standardized business intelligence reports to assist with analysis and presentation of data contained in the CIW. This resource is managed by University Information Services (UIS) [2] located at the System Administration campus.

Who is this for?

University Staff

Who do I ask for help?

For questions regarding CU-Data access, please reach out to the resources below regarding your specific reporting requests:

1. Campus Access Coordinators [3]
2. UIS Information Resource Management [4]
3. ?UIS Identity and Access Management [5]

How do I request access?

To request access, please fill out the CU-Data Reporting Access PDF form [6].
