CU Student Integrated Systems (CU-SIS) Access [1]

CU Student Integrated Systems (CU-SIS) is the suite of applications that perform the functions related to student administration, faculty workload and course management for the University of Colorado. The primary application used for storing this data is PeopleSoft Campus Solutions. These application are managed by University Information Services (UIS) [2] located at the System Administration campus.

Please see the below areas for how to request access, and their primary uses. Once access is obtained to CU-SIS you can reference the 'Next Steps' form by clicking here [3].

If you are looking for CU Transfer and SFTP Access please click here to be routed to the correct page. [4]

CU-SIS Campus Solutions (CS)

Who is this for?

University Staff, Faculty, and Students performing the suite of student services offered at the University of Colorado.

Who do I ask for help?

For questions regarding Campus Solutions access you can reach out to your respective campus access coordinator [5]. Each campus has module security coordinators that review and provision the appropriate access.

How do I request access?

You can request access to CU-SIS by completing the appropriate electronic form. Please click here [6] for the CU-SIS Access Request form.

Degree Audit and Transfer Credit (DATC)

The Degree Audit and Transfer Credit (DATC) system is used to track academic progress toward graduation and evaluate CU and transfer courses to a specific academic program.

Who is this for?

University Staff, College representatives and advising staff, Administrative users in various

business offices, Administrative users in CU-Boulder's Office of International Education, and Students

Who do I ask for help?

For questions regarding DATC access you can reach out to your respective <u>campus access coordinator</u> [5]. Each campus has security coordinator that reviews and approves the appropriate access.

How do I request access?

You can request access to CU-SIS by completing the appropriate electronic form. Please click <u>here</u> [6] for the CU-SIS Access Request form.

<u>International Student and Scholar System (ISSS)</u>

The International Student and Scholar System (ISSS) application is used by campus International Education and Admissions offices to report and track foreign national students and scholars from around the globe and help keep them engaged in learning at CU.

Who is this for?

University Campus ISSS Offices and Campus International Admissions Offices

Who do I ask for help?

For questions regarding ISSS access you can reach out to your respective <u>campus access coordinator</u> [5]. Each campus has security coordinator that reviews and approves the appropriate access.

How do I request access?

To request access, please fill out the <u>Sunapsis (ISSS) Access Request Form</u> [7].
