Cognos Report Developer User Group - Quarterly Meeting

Join us for the Cognos Report Developer User Group, a quarterly gathering that brings together Cognos report developers from across campuses and functional areas to share knowledge, tips, and strategies for effective reporting.

These sessions are designed to:

- Share tips, tricks, and pain points.
- Discuss updates, ideas, and future topics.
- Explore tools and features in Cognos.
- Foster collaboration and connection across the Cognos developer community.

Whether you're a seasoned Cognos expert or just getting started, this is a great opportunity to learn, connect and grow your reporting skills.

Email irmhelp@cu.edu [5] for past recordings of sessions.
