

Electronic Research Administration (eRA) Access ^[1]

The Electronic Research and Administration (eRA) system automates the processes the University uses to apply for research grants and other funding. It manages the pre- and post-award administrative and regulatory aspects of grants, contracts, protocols and conflicts of interest. This resource is managed by [University Information Services \(UIS\)](#) ^[2] located at the System Administration campus.

Who is this for?

University Staff

Who do I ask for help?

For questions regarding eRA access, please reach out to [eRA Support](#) ^[3] for more information.

How do I request access?

To request access to the InfoEd application, please reach out to a respective campus researcher or administrator to make a request to the research and/or compliance offices on your behalf.
