

OnBase Certified Department Administrators ^[1]

The OnBase Certified Department Administrators is a sub-committee of, and is accountable to, the Enterprise Content Services Advisory Committee ^[2] and is mainly responsible for managing Enterprise Content Services ^[3] programs and services at the departmental level. It also promotes communication to the Enterprise Content Services Advisory Committee and recommends actions that ensure the success of Enterprise Content Services operation and services.

OnBase certified department administrators are trained in all aspects of supporting and developing the OnBase application. Please contact a certified department administrators with assistance with locating PeopleSoft Operator IDs, resetting OnBase passwords and general OnBase support and development.

Composition

- Enterprise Content Services Business Unit Representatives
- Enterprise Content Services Subject Matter Experts
- IT Unit Representatives

Responsibilities

- To create and manage Enterprise Content Services solutions, operations and services at the departmental level
- To promote the products, programs and services of Enterprise Content Services
- To ensure communication of Enterprise Content Services objectives and goals to departmental stakeholders
